

Cañón de Carnué Land Grant - Merced Heirship Intake Form

If you believe you are an heir to the Cañón de Carnué Land Grant - Merced and have not yet registered, please fill out this intake form. Your answers will be used to determine your lineage and whether you meet the requirements as an heir, which are two: (1) you must be a descendant of one of the petitioners that established the land grant either in 1763 or 1819 and (2) you must have at least one ancestor who resided within the historic boundaries

of the land grant between the years 1900 and 1930. The information you provide below should, in most cases, be sufficient to determine whether you are an heir. If it is not sufficient, we may contact you for additional information. Do not leave blank the dates or years of birth of your ancestors below.
