Cañón de Carnué Land Grant Hall Rental Fees
Revised November 1, 2015

General provisions.

The hall will be cleaned prior to the event by the Cañón de Carnué Land Grant. Non heirs will be charged a \$150 cleaning fee in addition to hall rental, hosting fee, and other expenses. Heirs will be asked to make a \$150 cleaning deposit at the time the hall is reserved. Heirs will get their cleaning deposit returned in full if the cleaning passes inspection. Total net costs below for heirs assume the cleaning passes inspection. Confirmed heirs are charged a lower hall rental fee than non-heirs, but must be up-to-date in their dues for the previous five years to rent the hall at that lower rate. Confirmed heirs who are in arrears have the option of becoming current by paying \$75 (dues are currently at \$15/ year) and must attend two board meetings before they can reserve the hall. Confirmed heirs who are in good standing will have received a membership card indicating the date of their last dues payment. Rental of the hall requires that a member of the board unlock and lock the hall, and be present during the rental event. Should any issues arise during the event the renter must take direction from the board of trustees member present. That member will be paid a hosting fee of \$40 for the event (\$60 if the event extends beyond four hours). The hosting fee is waived for events associated with village celebrations (villages within the historic boundaries of the merced), and for funeral receptions made available for heirs. Note: the Cañón de Carnué Land Grant does not have a liquor license at present. The fee schedule below assumes no alcohol served, regardless of whether it is a day or evening event.

Evening events require a \$200 security fee for the hiring of security officers, whether or not alcohol is served. Evening events must conclude by 12 midnight, with one exception: any event honoring a minor, such as a high school graduation or sweet sixteen party must end by 11:00 pm.
